City of Granger Issues Boil Water Notice

The City of Granger issued a boil water notice for Saturday, October 8, 2011 for **the following: Whole City of Granger – the water will be turned off at approximately 8:00 am and is estimated to be off the majority of the day**-due to a water leak. Notification will be given to residents when the boil water notice is lifted. It will be Tuesday October 11, 2011 at the earliest.

To ensure destruction of all harmful bacteria and other microbes, water for drinking, cooking and making ice should be boiled and cooled prior to use. The water should be brought to a vigorous, rolling boil and then boiled for two minutes. In lieu of boiling, you can purchase bottled water or obtain water from some other suitable source.

For more information, call Granger City Hall at
512-859-2755.
